

MICHAEL ANDERSON

DENTAL SURGEON

PROFILE

Ambitious and detail-oriented Dental Surgeon with 5 years of experience in providing a wide range of dental services. Demonstrated expertise in preventive and restorative dentistry, with a strong focus on patient education and comfort. Highly skilled in performing dental procedures while ensuring a high standard of care and hygiene. Passionate about fostering strong relationships with patients by actively listening to their concerns and providing tailored solutions.

EXPERIENCE

DENTAL SURGEON

Healthy Smiles Dental Group

2016 - Present

- Conducted comprehensive dental examinations and developed tailored treatment plans.
- Executed restorative procedures such as fillings, crowns, and extractions with a focus on patient comfort.
- Utilized advanced dental equipment to enhance the precision of treatments.
- Maintained a clean and safe clinical environment in accordance with health regulations.
- Educated patients on oral health and preventive care practices, leading to improved patient compliance.
- Collaborated with hygienists and assistants to optimize patient care and clinic efficiency.

ASSOCIATE DENTIST

Family Dental Care

2014 - 2016

- Performed routine dental cleanings and examinations for a diverse patient base.
- Assisted in the development of a patient referral program that increased new patient intake by 25%.
- Participated in community health fairs to promote oral health awareness.
- Trained dental assistants on best practices for patient interaction and clinical procedures.
- Implemented electronic dental records, resulting in improved office efficiency.
- Provided consultations for cosmetic dental procedures, enhancing patient confidence.
