

# MICHAEL ANDERSON

## SENIOR DENTAL EDUCATOR

### PROFILE

---

With over 15 years of experience as a Dental Teaching Professional, I specialize in integrating innovative technologies into dental education. My career began as a dental hygienist, where I developed a profound understanding of patient care and hygiene practices. Transitioning to an academic role, I have been instrumental in developing courses that reflect current industry standards and practices.

### EXPERIENCE

---

#### SENIOR DENTAL EDUCATOR

##### Innovative Dental Institute

2016 - Present

- Led the transition to an online learning platform, increasing course accessibility for over 300 students.
- Incorporated virtual simulations into the curriculum, improving student performance on practical exams by 20%.
- Conducted workshops on the use of digital tools in dentistry, enhancing faculty skills and teaching methods.
- Developed a mentorship program that paired senior students with incoming students, fostering peer support.
- Organized community outreach programs that provided free dental care to underserved populations.
- Collaborated with industry leaders to ensure curriculum relevancy and alignment with current practices.

#### DENTAL HYGIENE INSTRUCTOR

##### Community College Dental Program

2014 - 2016

- Designed and taught courses on dental hygiene, resulting in a 95% student satisfaction rate.
- Implement clinical training modules that improved hands-on skills assessment outcomes.
- Mentored students in research projects, leading to presentations at regional conferences.
- Established partnerships with local health organizations for student internships and experience.
- Conducted assessments of student progress and provided constructive feedback.
- Collaborated with faculty to integrate interdisciplinary learning opportunities across programs.
