Michael Anderson

CLINICAL FACULTY MEMBER

I am a dedicated Dental Teaching Professional with over 10 years of experience in higher education, focusing on clinical education and student mentorship. My career began as a practicing dentist, where I developed a strong foundation in clinical skills and patient management. Moving into education, I have dedicated myself to developing future dental professionals through comprehensive training and mentorship.

EXPERIENCE

CLINICAL FACULTY MEMBER

University of Dental Medicine

2016 - Present

- Supervised dental students during clinical rotations, ensuring adherence to best practices.
- Developed assessment tools to evaluate student performance effectively.
- Provided one-on-one mentorship to students, leading to a 90% placement rate post-graduation.
- Organized workshops on patient communication and management skills.
- Collaborated with local clinics to enhance student clinical experiences.
- Participated in curriculum development for clinical education courses.

DENTISTRY INSTRUCTOR

Community University of Health Sciences

2014 - 2016

- Taught comprehensive dental courses with a focus on clinical practice and patient care.
- Implemented innovative teaching methods that improved student engagement and learning outcomes.
- Conducted evaluations of student performance to identify areas for improvement.
- Mentored students in research projects related to dental health.
- Developed partnerships with dental organizations for student internships.
- Organized community workshops that provided free dental care services.
