Michael Anderson

URBAN ECONOMIST

Strategic Development Economist with over 11 years of experience in urban economics and regional planning. Expertise in analyzing urban economic dynamics and developing policies that promote sustainable urban growth. Proficient in using advanced analytical tools to evaluate housing markets, transportation systems, and public infrastructure. Committed to enhancing the quality of life in urban areas through evidence-based policy interventions.

EXPERIENCE

URBAN ECONOMIST

City of New York Economic Development Corporation

2016 - Present

- Conducted economic analyses to inform urban development policies and strategies.
- Evaluated the impact of transportation projects on local economies.
- Collaborated with city planners to design economic initiatives that enhance urban livability.
- Utilized GIS tools to assess urban land use and zoning effectiveness.
- Presented findings to city officials, advocating for data-driven decision-making.
- Engaged with community groups to gather input on urban economic needs.

ECONOMIC DEVELOPMENT ANALYST

Metropolitan Planning Organization

2014 - 2016

- Analyzed regional economic trends to support urban planning initiatives.
- Developed reports that highlighted economic opportunities for urban revitalization.
- Worked with stakeholders to promote sustainable economic practices.
- Conducted public workshops to educate residents on economic development strategies.
- Utilized statistical software to track key economic indicators.
- Contributed to grant proposals for funding urban development projects.
