EDUCATION

MASTER'S IN DEVELOPMENT STUDIES,
UNIVERSITY OF CAMBRIDGE

ACHIEVEMENTS

- Received the 'Innovative Research Award' from the Global Women's Fund in 2021.
- Successfully led a research initiative that increased women's enrollment in education by 40%.
- Published a seminal paper on gender and development that has been cited over 200 times.

PROFILE

With a strong background in development studies and over 8 years of experience in international development, I have specialized in participatory research methods that engage communities in the development process. My career trajectory has equipped me with the skills to facilitate workshops, conduct surveys, and analyze data to inform programmatic decisions.

EXPERIENCE

SENIOR RESEARCH COORDINATOR

Women's Empowerment Network

2016 - Present

- Led a project aimed at assessing the impact of educational programs on women's empowerment in rural areas.
- Conducted training sessions for local researchers on participatory data collection techniques.
- Collaborated with community leaders to ensure culturally sensitive approaches to data gathering.
- Analyzed survey data using Stata, resulting in actionable recommendations for program improvement.
- Published findings in major journals, enhancing visibility of women's issues in development.
- Organized annual conferences to disseminate research outcomes and foster dialogue among stakeholders.

DEVELOPMENT RESEARCH ASSOCIATE

International Development Agency

2014 - 2016

- Conducted comprehensive literature reviews to inform program design in various sectors.
- Designed and implemented surveys in collaboration with local NGOs.
- Utilized Excel for data analysis, producing reports that informed funding decisions.
- Facilitated community meetings to gather qualitative insights on program effectiveness.
- Supported the development of training materials for capacity building among local partners.
- Contributed to the successful securing of a \$1 million grant for educational initiatives.
