Michael Anderson

INSTRUCTIONAL DESIGNER FOR ADULT LEARNING

As a Digital Instructional Designer with a strong focus on adult learning principles, I have spent over 6 years creating impactful training programs for diverse industries. My expertise in instructional design is complemented by my background in psychology, enabling me to develop content that resonates with adult learners. I have successfully designed and delivered training solutions for the finance and insurance sectors, focusing on compliance, skills development, and leadership training.

EXPERIENCE

INSTRUCTIONAL DESIGNER FOR ADULT LEARNING

Finance Training Solutions

2016 - Present

- Designed and developed adult learning programs that increased employee engagement by 30%.
- Conducted needs assessments to identify gaps in knowledge and skills among employees.
- Utilized LMS to deliver and track training effectiveness across various platforms.
