## PROFILE

Strategic and results-driven Director of Land Administration with a robust background in land policy development and implementation. Expertise in managing large-scale land development projects while ensuring compliance with environmental regulations and community standards. Strong leadership abilities demonstrated by successfully guiding cross-functional teams through complex negotiations and project lifecycles. Proven capacity to develop and execute comprehensive land management strategies that align with organizational objectives.

## EXPERIENCE

### DIRECTOR OF LAND POLICY

#### EcoLand Development Group

*2016 - Present*

- Oversaw the development of land use policies that reduced environmental impact by 40%.
- Facilitated public engagement sessions to gather community input on land development proposals.
- Managed a team of planners and analysts to ensure project compliance with zoning laws.
- Negotiated land use agreements with private developers to promote sustainable practices.
- Conducted risk assessments to identify potential land use conflicts.
- Developed training workshops for stakeholders on land policy compliance.

### LAND DEVELOPMENT COORDINATOR

#### GreenSpace Innovations

*2014 - 2016*

- Coordinated land development projects from inception to completion, ensuring timely delivery.
- Collaborated with environmental consultants to assess land suitability for various uses.
- Streamlined the permitting process, resulting in a 20% reduction in approval timelines.
- Developed comprehensive project documentation for regulatory compliance.
- Engaged with local communities to address concerns regarding land use changes.
- Monitored project budgets and timelines, ensuring adherence to financial goals.
