MICHAEL ANDERSON

DIRECTOR OF SOCIAL WORK

Strategic and analytical Director of Social Work with over 10 years of experience in healthcare social work, specializing in interdisciplinary collaboration and patient advocacy. Recognized for developing innovative programs that enhance the integration of social services within healthcare settings. Expertise in working with diverse populations, including individuals with chronic illnesses and disabilities, to ensure comprehensive care.

PROFESSIONAL EXPERIENCE

Health System

Mar 2018 - Present

Director of Social Work

- Led the social work department, managing a team of 12 professionals.
- Developed and implemented care coordination programs to support patients with chronic conditions.
- Collaborated with medical teams to integrate social work services into treatment plans.
- Utilized data analytics to assess program effectiveness and improve patient outcomes.
- Facilitated training sessions for healthcare staff on social determinants of health.
- Advocated for patient rights and access to necessary resources and services.

Community Hospital

Dec 2015 - Jan 2018

Clinical Social Worker

- Provided direct social work services to patients in acute care settings.
- Conducted psychosocial assessments and developed treatment plans.
- Collaborated with multidisciplinary teams to ensure holistic patient care.
- Educated patients and families about available resources and support services.
- Managed crisis interventions and provided emotional support to patients.
- Participated in quality improvement initiatives to enhance service delivery.

ACHIEVEMENTS

- Increased patient satisfaction scores by 35% through enhanced service integration.
- Secured a \$300,000 grant for a pilot program addressing social determinants of health.
- Recognized for leadership excellence during the annual healthcare summit in 2022.
