

# MICHAEL ANDERSON

## LOGISTICS MANAGER

### PROFILE

An accomplished Distribution Planning Manager with a robust background in logistics and supply chain management, possessing over 12 years of experience in the industry. Demonstrates expertise in strategic planning, operational oversight, and performance optimization. Adept at utilizing sophisticated software solutions and analytical methods to drive efficiency and ensure compliance with regulatory standards.

### EXPERIENCE

#### LOGISTICS MANAGER

##### Dynamic Freight Solutions

2016 - Present

- Oversaw the logistics operations for a multi-site distribution network.
- Implemented a new logistics strategy that reduced delivery times by 25%.
- Managed vendor relationships to negotiate better shipping rates.
- Utilized data analytics to forecast demand and optimize inventory levels.
- Supervised a team of logistics coordinators and provided training on best practices.
- Conducted regular performance reviews to assess team efficiency and productivity.

#### SUPPLY CHAIN ANALYST

##### Innovative Distribution Group

2014 - 2016

- Analyzed supply chain processes to identify inefficiencies and recommend improvements.
- Developed performance metrics to track distribution effectiveness.
- Collaborated with cross-functional teams to implement supply chain initiatives.
- Prepared comprehensive reports on supply chain performance for executive review.
- Assisted in the selection and implementation of ERP systems.
- Managed inventory control processes to minimize waste and reduce costs.
