MICHAEL ANDERSON

DISTRIBUTION OPERATIONS LEAD

A highly skilled Distribution Planning Manager, recognized for a unique blend of analytical prowess and leadership capabilities, with over 10 years of experience in managing end-to-end distribution processes. Possesses a deep understanding of supply chain dynamics and the ability to implement innovative solutions that enhance efficiency and reduce costs. Expertise in utilizing advanced distribution software and tools to forecast demand, manage inventory, and ensure timely product delivery.

PROFESSIONAL EXPERIENCE

National Supply Chain Services

Mar 2018 - Present

Distribution Operations Lead

- Led distribution operations across multiple regions, ensuring compliance with company standards.
- Implemented automated systems to streamline order processing and inventory tracking.
- Analyzed operational data to identify trends and improve service delivery.
- Developed training programs for staff to enhance operational effectiveness.
- Managed relationships with third-party logistics providers to optimize shipping costs.
- Conducted regular audits to ensure inventory accuracy and reduce discrepancies.

Efficient Logistics Inc.

Dec 2015 - Jan 2018

Inventory Control Supervisor

- Supervised inventory management operations to ensure optimal stock levels.
- Utilized forecasting techniques to predict product demand and adjust inventory accordingly.
- Collaborated with procurement teams to align inventory with market demand.
- Developed and implemented inventory tracking systems to enhance accuracy.
- Trained staff on inventory management best practices.
- Facilitated quarterly inventory audits to maintain compliance and accuracy.

ACHIEVEMENTS

- Achieved a 40% reduction in inventory holding costs through process improvements.
- Recognized for outstanding leadership in implementing new distribution software.
- Successfully increased on-time delivery rates to 95% through operational enhancements.
