EDUCATION

**BACHELOR OF SCIENCE IN
AGRICULTURAL SCIENCE, STATE
UNIVERSITY, 2015**

ACHIEVEMENTS

- Increased community participation in agricultural programs by over 50% within one year.
- Developed a mobile app for farmers that improved access to agricultural resources.
- Received the Community Leadership Award for exemplary service in rural development.

PROFILE

Accomplished District Extension Officer with extensive experience in rural development and agricultural education. Expertise encompasses the facilitation of community-led initiatives that promote sustainable agricultural practices and enhance food security. Demonstrated proficiency in leveraging technology and research to inform extension services and maximize impact. Adept at forging strategic partnerships with local organizations, government entities, and educational institutions to drive community engagement and capacity building.

EXPERIENCE

AGRICULTURAL DEVELOPMENT SPECIALIST

Rural Development Agency

2016 - Present

- Designed and implemented training workshops on sustainable land management.
- Coordinated with local stakeholders to assess agricultural needs and develop targeted programs.
- Utilized GIS tools to map agricultural resources and identify potential areas for improvement.
- Led community discussions to promote awareness of sustainable practices.
- Evaluated program impacts and provided recommendations for future initiatives.
- Facilitated collaborations with local universities to enhance research efforts.

EXTENSION EDUCATOR

Community Agricultural Center

2014 - 2016

- Developed educational content for workshops aimed at improving crop management techniques.
- Conducted on-site visits to provide personalized support to farmers.
- Monitored agricultural trends to adapt training programs accordingly.
- Engaged with local schools to promote agricultural education among youth.
- Implemented surveys to gather feedback on program effectiveness.
- Organized annual agricultural fairs to showcase innovative practices and technologies.
