MICHAEL ANDERSON

E-Commerce Web Developer

Enthusiastic and detail-oriented E-Commerce Web Developer with a focus on utilizing technology to create engaging online shopping experiences. With over 2 years of experience in the fast-paced retail industry, I have cultivated a solid understanding of e-commerce platforms such as Shopify and WooCommerce. My skills include front-end development with HTML, CSS, and JavaScript, as well as basic back-end integration with PHP.

💼 WORK EXPERIENCE

E-Commerce Web Developer   2020-2023

Retail Web Solutions

- Developed and maintained e-commerce websites using Shopify, enhancing user experience.
- Worked with design teams to implement responsive web designs that cater to various devices.
- Conducted market research to understand consumer behavior and improve site features.
- Integrated customer feedback tools to gather insights for continuous improvement.
- Assisted in SEO optimization, leading to a 15% increase in organic traffic.
- Participated in regular team meetings to discuss project progress and challenges.

Web Development Intern   2019-2020

Digital Retail Agency

- Supported the development of e-commerce sites using WooCommerce and basic PHP.
- Helped create engaging product pages with clear descriptions and images.
- Participated in user testing to identify areas for site improvement.
- Maintained product listings and ensured accurate information.
- Assisted in creating promotional content for social media campaigns.
- Learned and applied best practices in web development and design.

★ ACHIEVEMENTS

- Contributed to a project that increased client sales by 20% through website enhancements.
- Awarded 'Best Intern' for outstanding contributions during internship.
- Successfully completed multiple projects under tight deadlines.
