Resourceful E-Commerce Web Developer with a strong foundation in web technologies and a focus on enhancing user experiences. With over 4 years of experience in the e-commerce sector, I have developed a range of skills that span front-end and back-end development. My expertise includes working with platforms such as Shopify and Magento, where I have successfully built and maintained e-commerce sites.

WORK EXPERIENCE

E-Commerce Developer | Web Commerce Solutions

Jan 2022 – Present

- Developed and launched e-commerce websites using Shopify, resulting in increased sales.
- Collaborated with designers to create responsive and visually appealing layouts.
