# MICHAEL ANDERSON

## ASSESSMENT COORDINATOR

Dedicated E-Learning Assessment Specialist with over 8 years of experience in higher education. Expert in designing comprehensive assessments that cater to diverse learner populations and align with institutional goals. Strong background in data-driven decision making to enhance assessment quality and student outcomes. Skilled in developing training materials for educators on effective assessment strategies.

## PROFESSIONAL EXPERIENCE

### State University                              *Mar 2018 - Present*
Assessment Coordinator

- Coordinated the development and implementation of a new assessment framework for the institution.
- Worked closely with faculty to create assessments that reflect curriculum goals.
- Analyzed assessment data to identify trends and recommend improvements.
- Organized workshops for faculty on inclusive assessment practices.
- Designed online resources to support faculty in assessment design.
- Facilitated regular assessment reviews to ensure alignment with accreditation standards.

### Online Learning Academy                      *Dec 2015 - Jan 2018*
Instructional Designer

- Developed engaging online courses with integrated assessments for diverse audiences.
- Utilized instructional design models to create effective learning experiences.
- Collaborated with multimedia teams to enhance course content with interactive elements.
- Conducted user testing to refine assessment tools and course materials.
- Monitored learner progress and provided feedback to improve learning outcomes.
- Implemented assessment analytics to track and report on student performance.

## ACHIEVEMENTS

- Increased student retention rates by 15% through improved assessment practices.
- Received 'Excellence in Assessment Award' for innovative approaches to online assessments.
- Developed a mentorship program for new faculty to enhance their assessment skills.
