Michael
ANDERSON

E-LEARNING ASSESSMENT SPECIALIST

Innovative E-Learning Assessment Specialist with a passion for integrating technology into assessment practices. With 6 years of experience in the edtech industry, I have designed and implemented assessments that engage learners and drive measurable results. My expertise lies in utilizing analytics to refine assessments and ensure they meet educational standards. I thrive in collaborative environments, effectively communicating with cross-functional teams to enhance assessment quality.

WORK EXPERIENCE

E-LEARNING ASSESSMENT SPECIALIST
Digital Learning Innovations
2020 - 2025
