MICHAEL ANDERSON

E-LEARNING SPECIALIST

Creative and passionate E-Learning Curriculum Designer with 5 years of experience in designing engaging educational content for K-12 environments. Committed to enhancing students' learning experiences through innovative use of technology and instructional design principles. Skilled in creating interactive lessons and assessments that foster critical thinking and collaboration among students. Strong background in using various e-learning tools and platforms to deliver content that accommodates different learning styles.

PROFESSIONAL EXPERIENCE

Future Generations Academy

Mar 2018 - Present

E-Learning Specialist

- Designed and implemented over 30 interactive online courses for K-12 students.
- Utilized Google Classroom and Seesaw to facilitate remote learning and engagement.
- Collaborated with teachers to integrate e-learning tools into the classroom curriculum.
- Created assessments that measured student understanding and provided actionable feedback.
- Conducted training sessions for educators on using digital tools effectively.
- Analyzed student performance data to refine course content and improve learning outcomes.

Learn Online Now

Dec 2015 - Jan 2018

Instructional Designer

- Developed online learning materials for a variety of subjects aligned with state standards.
- Worked with content experts to create engaging multimedia lessons.
- Implemented feedback from students and teachers to improve course offerings.
- Designed user-friendly interfaces for online courses to enhance navigation and accessibility.
- Facilitated online workshops for teachers on best practices in e-learning.
- Monitored student engagement metrics to assess the effectiveness of course designs.

ACHIEVEMENTS

- Received the 'Innovative Teacher Award' from the State Education Board in 2020.
- Increased student engagement in online courses by 45% through interactive design.
- Presented at local education conferences on the importance of digital learning.
