PROFILE

Results-oriented E-Learning Educator with over 5 years of experience in developing and delivering online educational programs. Expertise in utilizing innovative teaching methods and digital tools to create engaging and effective learning experiences. Strong analytical skills in evaluating course effectiveness through data-driven assessments. Passionate about fostering student engagement and promoting lifelong learning through personalized education approaches.

EXPERIENCE

E-LEARNING COORDINATOR

Innovative Learning Solutions

2016 - Present

- Coordinated the development and implementation of online courses for adult learners.
- Utilized LMS analytics to assess learner performance and improve course materials.
- Worked closely with instructors to integrate best practices in online teaching methodologies.
- Facilitated online workshops to train educators on e-learning tools and strategies.
- Created user-friendly guides and resources for students navigating online platforms.
- Assisted in the migration of traditional courses to online formats, ensuring quality and accessibility.

INSTRUCTIONAL DESIGNER

EdTech Innovations

2014 - 2016

- Designed and developed multimedia e-learning content for K-12 education.
- Conducted needs assessments to tailor courses to student demographics.
- Utilized feedback to refine instructional materials, improving learner outcomes.
- Collaborated with graphic designers to create visually appealing course layouts.
- Implemented gamification strategies to enhance student motivation and engagement.
- Developed training materials for teachers to effectively utilize digital resources.
