MICHAEL ANDERSON

E-LEARNING INSTRUCTIONAL DESIGNER

As a highly motivated E-Learning Instructional Designer with over 6 years of experience in the healthcare sector, I specialize in creating compliant and effective training programs that enhance the skills of medical professionals. My expertise lies in developing e-learning curricula that not only adhere to regulatory standards but also engage learners in meaningful ways.

PROFESSIONAL EXPERIENCE

HealthWise Academy

Mar 2018 - Present

E-Learning Instructional Designer

- Created over 30 e-learning modules focusing on compliance training for healthcare professionals.
- Collaborated with clinical experts to ensure accuracy and relevance of course content.
- Utilized LMS analytics to assess learner performance and course effectiveness.
- Implemented feedback from healthcare staff to continuously improve training materials.
- Designed interactive scenarios to enhance learner engagement and application of skills.
- Conducted workshops to train staff on new e-learning tools and best practices.

MedLearn Solutions

Dec 2015 - Jan 2018

Instructional Designer

- Developed e-learning curricula that improved compliance training completion rates by 35%.
- Worked with SMEs to convert in-person training content to an online format.
- Conducted user testing to identify and address potential learning barriers.
- Created engaging multimedia content to support various learning styles.
- Facilitated training sessions to ensure staff were confident in using new e-learning platforms.
- Monitored and reported on course effectiveness to senior management.

ACHIEVEMENTS

- Awarded 'Excellence in Training' for outstanding contributions to healthcare education.
- Improved learner retention rates by 30% through innovative instructional strategies.
- Successfully led a project that transformed outdated training materials into modern e-learning formats.
