EDUCATION

BACHELOR OF SCIENCE IN INSTRUCTIONAL DESIGN, UNIVERSITY OF BUSINESS

ACHIEVEMENTS

- Received 'Outstanding Contribution' award for innovative learning solutions.
- Increased course completion rates by 40% through enhanced engagement strategies.
- Successfully launched a leadership training program that boosted retention of key skills.

I am an E-Learning Instructional Designer with a strong background in corporate training and development, boasting over 7 years of experience in creating effective online learning solutions. My expertise lies in the design and development of training programs that are aligned with business objectives and foster employee growth. I have a proven track record of leveraging technology to enhance learning experiences and increase engagement through interactive elements.

WORK EXPERIENCE

INSTRUCTIONAL DESIGNER
Corporate Learning Solutions
2020 - 2025

- Designed and developed over 20 e-learning courses focused on employee development and compliance.
- Collaborated with stakeholders to identify training needs and create targeted learning plans.
- Utilized analytics to measure course effectiveness and inform future design decisions.
- Created engaging multimedia content to enhance the learning experience.
- Facilitated train-the-trainer sessions to empower internal trainers.
- Conducted evaluations to measure learner satisfaction and knowledge retention.

E-LEARNING DEVELOPER
Talent Development Inc.
2015 - 2020

- Developed interactive e-learning modules that improved employee engagement scores by 25%.
- Worked closely with SMEs to ensure course content accuracy and relevance.
- Integrated gamification elements into courses to increase motivation.
- Managed project timelines and deliverables to meet tight deadlines.
- Conducted user testing to gather insights and enhance course design.
- Provided ongoing support and training for learners using the LMS.
