WORK EXPERIENCE

Lead E-Sports Commentator | Elite Gaming Network

Jan 2022 – Present

- Delivered real-time commentary for high-stakes tournaments, enhancing audience engagement through dynamic storytelling.
- Collaborated with production teams to develop broadcast scripts that align with event branding and viewer expectations.
- Utilized advanced broadcasting software to ensure high-quality audio and video output during live events.
- Analyzed viewer metrics to refine commentary style and content focus, leading to a 25% increase in viewer retention.
- Mentored junior commentators, providing training on effective communication and audience engagement techniques.
- Participated in promotional events and interviews, representing the network at industry conferences and community gatherings.

E-Sports Analyst | Game Changer Media

Jul 2019 – Dec 2021

- Conducted in-depth analysis of gameplay strategies, providing insights that informed team preparations and training sessions.
- Produced analytical reports on player performance metrics, contributing to strategic decision-making for tournament participation.
- Engaged with online communities to gather feedback and enhance broadcast content based on viewer preferences.
- Coordinated with marketing teams to promote upcoming broadcasts, achieving a 30% increase in pre-event viewership.
- Developed and hosted post-match analysis segments, facilitating discussions that deepened audience understanding of game mechanics.
- Ensured compliance with broadcasting regulations and guidelines, maintaining the integrity of the network's reputation.
