

# MICHAEL ANDERSON

## E-Sports Production Lead

Dedicated E-Sports Production Manager with a passion for the gaming industry and a commitment to delivering exceptional live experiences. Extensive background in event planning and production, with a focus on enhancing viewer interaction and satisfaction. Skilled in utilizing modern production technologies to create seamless event experiences that resonate with diverse audiences.

### WORK EXPERIENCE

#### E-Sports Production Lead

2020-2023

Vanguard Gaming

- Led the production of community-focused e-sports events, promoting inclusivity and engagement.
- Designed interactive experiences that increased audience participation during live broadcasts.
- Collaborated with sponsors to enhance event offerings and increase funding.
- Managed production timelines and logistics to ensure on-time delivery of all event components.
- Utilized social media platforms to foster community interaction and engagement.
- Conducted surveys to gather audience feedback and inform future productions.

#### Event Production Assistant

2019-2020

Unity E-Sports

- Assisted in the execution of live e-sports events, focusing on audience experience.
- Supported the setup and breakdown of technical equipment for events.
- Coordinated with marketing teams to create promotional strategies that increased event visibility.
- Managed event schedules and logistics to ensure smooth operations.
- Gathered feedback from participants to enhance future event planning.
- Contributed to the development of event branding and themes.

### ACHIEVEMENTS

- Increased community participation in events by 50% through targeted outreach initiatives.
- Received recognition for outstanding leadership in production at the E-Sports Expo 2023.
- Successfully launched a new series of community tournaments, resulting in a 40% increase in attendance.
