### ACHIEVEMENTS

- Improved parent satisfaction scores by 40% through effective communication of assessment results.
- Recognized for excellence in service delivery by the National Early Childhood Association.
- Successfully implemented a new assessment framework that increased identification of developmental delays by 25%.

### PROFILE

As an accomplished Early Childhood Assessment Specialist with over 5 years of experience, I have a proven track record in developing and implementing assessment strategies that support children's growth and learning. With a background in developmental psychology, I specialize in identifying developmental delays and tailoring interventions to meet individual needs. My commitment to fostering an inclusive and supportive environment allows me to work effectively with children, families, and educational staff.

### EXPERIENCE

#### EARLY CHILDHOOD ASSESSOR

##### Kids First Development Center

*2016 - Present*

- Administer developmental assessments for children ages 3-6 using validated tools.
- Work closely with parents to discuss assessment results and recommended interventions.
- Collaborate with teachers to create individualized educational plans based on assessment outcomes.
- Implement training sessions for staff on best practices in assessment.
- Monitor and document children's progress over time to evaluate the effectiveness of interventions.
- Participate in community outreach efforts to raise awareness about early childhood assessments.

#### DEVELOPMENTAL SPECIALIST

##### Creative Minds Preschool

*2014 - 2016*

- Conduct regular assessments to identify children needing additional support.
- Develop and distribute assessment materials and resources for families.
- Facilitate workshops for parents on child development and assessment processes.
- Collaborate with local agencies to provide comprehensive services for children.
- Analyze assessment data to inform curriculum development and instructional strategies.
- Assist in the training of new staff on assessment practices and tools.
