MICHAEL ANDERSON

SENIOR ASSESSMENT SPECIALIST

Results-oriented Early Childhood Assessment Specialist with 10 years of experience specializing in the assessment and support of children with special needs. My extensive background in special education enables me to provide tailored assessments that address individual learning challenges. I am passionate about advocating for children and ensuring they receive the support necessary to thrive in educational settings.

PROFESSIONAL EXPERIENCE

Inclusive Growth Academy

Mar 2018 - Present

Senior Assessment Specialist

- Lead assessments for children with special needs to create tailored intervention plans.
- Coordinate with therapists and educators to ensure a holistic approach to child development.
- Provide training for staff on assessing and supporting children with diverse needs.
- Develop individualized assessments that reflect each child's unique abilities and challenges.
- Analyze assessment data to improve program effectiveness and outcomes.
- Engage with families to discuss results and advocate for necessary resources.

Child Development Resource Center

Dec 2015 - Jan 2018

Assessment Consultant

- Conduct assessments for children in inclusive settings and report on developmental milestones.
- Collaborate with community organizations to provide comprehensive support for families.
- Train community staff on effective assessment methods and tools.
- Monitor and evaluate the effectiveness of interventions over time.
- Facilitate workshops for families on understanding assessment processes.
- Advocate for policy changes to support children with special needs in educational environments.

ACHIEVEMENTS

- Increased identification of special needs children by 35% through effective assessment strategies.
- Received the 'Advocate of the Year' award from the National Special Education Coalition.
- Developed a new assessment model that improved intervention success rates by 20%.
