

Michael

ANDERSON

LEAD TEACHER

Dynamic Early Childhood Care Educator with over 7 years of experience in creating engaging learning environments for children aged 2 to 5. I have a strong focus on play-based learning and believe that children learn best through hands-on experiences. My background includes working in both private and public educational settings, allowing me to adapt my teaching methods to various contexts.

EDUCATION

BACHELOR OF SCIENCE IN EARLY CHILDHOOD EDUCATION, UNIVERSITY OF FLORIDA, 2013

ACHIEVEMENTS

- Increased student engagement by 35% through innovative lesson planning.
- Recognized for excellence in teaching with 'Teacher of the Month' awards in 2018 and 2020.
- Successfully led a community outreach program that connected families with educational resources.

WORK EXPERIENCE

LEAD TEACHER

Adventure Kids Academy

2020 - 2025

- Designed and executed a play-based curriculum that engaged children in meaningful learning experiences.
- Facilitated hands-on activities that enhanced children's cognitive and social skills.
- Conducted regular assessments to evaluate children's development and adapt lesson plans accordingly.
- Maintained open communication with parents to discuss children's progress and address concerns.
- Collaborated with colleagues to create a vibrant and inclusive classroom environment.
- Organized community events to promote early literacy and family involvement.

ASSISTANT TEACHER

Growing Minds Learning Center

2015 - 2020

- Supported lead teachers in implementing lesson plans and classroom activities.
- Engaged children in play and exploration, fostering their natural curiosity.
- Assisted in maintaining a clean and organized classroom environment.
- Monitored children's behavior and provided positive reinforcement.
- Contributed to the development of classroom resources and materials.
- Participated in staff meetings and professional development workshops.
