### SUMMARY

Dynamic and enthusiastic Early Childhood Curriculum Specialist with over 8 years of experience in developing and implementing innovative educational programs for young children. Possessing a deep understanding of child development theories and practices, I have successfully designed curricula that promote cognitive, social, and emotional growth. My approach integrates play-based learning with structured educational frameworks, ensuring that each child's unique learning style is accommodated.

### WORK EXPERIENCE

#### Curriculum Development Specialist Bright Futures Learning Center

Jan 2023 - Present

- Designed and implemented a comprehensive curriculum that aligned with state standards and fostered holistic development.
- Conducted workshops for educators on best practices in early childhood education, enhancing teaching strategies across the center.
- Partnered with parents to provide resources and guidance on child development, increasing parent engagement by 30%.
- Utilized assessment tools to evaluate children's progress and adjust curricula accordingly, resulting in a 20% improvement in developmental milestones.
- Integrated technology into the curriculum to facilitate interactive learning experiences, improving student engagement.
- Monitored and evaluated program effectiveness through feedback and data analysis, leading to the adoption of new teaching methods.

#### Lead Teacher Little Explorers Preschool

Jan 2020 - Dec 2022

- Developed lesson plans that encouraged exploration and discovery, promoting a love for learning among preschoolers.
  - Implemented assessments to track student progress and adapt teaching methods to meet individual needs.
  - Created a nurturing classroom environment that supported social and emotional development, leading to a 15% decrease in behavioral issues.
  - Collaborated with colleagues to share resources and strategies, fostering a team-oriented culture.
  - Organized family engagement events that increased community involvement in educational activities.
  - Trained new staff on curriculum implementation and classroom management techniques, enhancing overall program quality.
-
