### WORK EXPERIENCE

#### Social-Emotional Learning Specialist

2020-2023

Heartfelt Learning Academy

- Developed and implemented a comprehensive social-emotional learning curriculum that increased student resilience scores by 30%.
- Trained educators on best practices for integrating social-emotional learning into daily activities.
- Facilitated workshops for parents to support emotional development at home, enhancing family engagement.
- Monitored and evaluated program effectiveness through assessments and feedback, leading to continuous improvement.
- Collaborated with community organizations to provide resources and support for families.
- Created a mentoring program for teachers focused on social-emotional learning strategies, improving classroom dynamics.

#### Curriculum Director

2019-2020

Bright Horizons Academy

- Led the development of an innovative curriculum that emphasized social and emotional skills alongside academic learning.
- Implemented assessment tools to measure students' social-emotional development, guiding curriculum adjustments.
- Trained staff on integrating social-emotional learning into core subjects, enhancing overall educational quality.
- Facilitated family workshops that increased awareness of social-emotional learning importance.
- Collaborated with local mental health professionals to incorporate strategies into the curriculum.
- Monitored classroom environments to ensure they supported positive emotional development.

### ACHIEVEMENTS

- Received the 'Social-Emotional Learning Champion' award for innovative curriculum design in 2020.
- Increased awareness of social-emotional learning among educators by 50% through effective training programs.
