EDUCATION

MASTER OF SCIENCE IN CHILD
DEVELOPMENT, STANFORD UNIVERSITY

ACHIEVEMENTS

- Developed a community outreach program that increased parent participation by 40%.
- Recognized for excellence in teaching by the local education authority in 2020.
- Successfully implemented a new curriculum that led to improved literacy rates in preschool students.

PROFILE

Experienced Early Childhood Development Coach with a strong focus on integrating play-based learning into curriculum design. Over 6 years of experience in the education sector, I specialize in creating inclusive environments that cater to children from diverse backgrounds. My approach emphasizes the importance of socialization, language acquisition, and emotional regulation through guided play and structured activities.

EXPERIENCE

EARLY CHILDHOOD DEVELOPMENT SPECIALIST

The Learning Tree

2016 - Present

- Designed and implemented a play-based curriculum that increased learning engagement by 25%.
- Conducted workshops for parents on early childhood developmental milestones.
- Collaborated with local organizations to enhance community involvement in educational activities.
- Utilized assessment tools to evaluate individual child progress and adapt strategies.
- Led training sessions for staff on inclusive education practices and child-centered teaching methods.
- Organized field trips that expanded children's learning experiences beyond the classroom.

PRESCHOOL TEACHER

Happy Kids Academy

2014 - 2016

- Facilitated group activities that fostered teamwork and communication among preschoolers.
- Implemented daily routines that promoted consistency and security for children.
- Assisted in the development of individualized education plans (IEPs) for children with special needs.
- Created a nurturing classroom environment that encouraged self-expression and creativity.
- Conducted regular assessments to monitor developmental progress and effectiveness of curriculum.
- Promoted awareness of early childhood education through community outreach initiatives.
