EDUCATION

BACHELOR OF SCIENCE IN ELEMENTARY EDUCATION, CITY UNIVERSITY, 2014

ACHIEVEMENTS

- Increased student proficiency in digital literacy by 40% within one year.
- Received the Innovation in Education Award in 2020 for outstanding program development.
- Successfully led a team that raised \$10,000 for educational technology resources.

PROFILE

Ambitious Early Childhood Education Advisor with 8 years of experience in urban educational settings. I specialize in integrating technology into early learning curricula to enhance student engagement and learning outcomes. My approach combines hands-on experience with a keen understanding of educational technology trends to create interactive learning experiences. I have worked extensively with diverse populations, providing tailored strategies that meet the unique needs of children from various backgrounds.

EXPERIENCE

TECHNOLOGY INTEGRATION SPECIALIST

Urban Kids Learning Institute

2016 - Present

- Developed and implemented technology-based educational programs for preschoolers.
- Trained teachers in utilizing digital resources to enhance classroom instruction.
- Conducted workshops on the effective use of educational software and applications.
