- Program evaluation
- Data analysis
- Research methodology
- Early education

EDUCATION

MASTER'S IN PUBLIC POLICY, GEORGETOWN UNIVERSITY

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Secured funding for a program that increased enrollment by 30% in targeted areas.
- Published influential reports on access to early childhood education.
- Recognized as a leading advocate for quality early education in the community.

Michael Anderson

PROGRAM RESEARCH DIRECTOR

I am an accomplished Early Childhood Education Researcher with over 12 years of experience in the non-profit sector, dedicated to improving educational outcomes for underserved populations. My work has focused on researching the barriers to access in early childhood education and developing strategies to address these challenges. I have collaborated with various organizations to implement programs that provide equitable access to quality early learning experiences.

EXPERIENCE

PROGRAM RESEARCH DIRECTOR

Early Childhood Alliance

2016 - Present

- Overseeing research initiatives aimed at improving access to early education.
- Collaborating with community organizations to develop outreach programs.
- Analyzing barriers to access for underserved populations.
- Developing data-driven recommendations for policy changes.
- Facilitating community forums to gather input from families.
- Publishing reports to advocate for equitable access to education.

RESEARCH ASSOCIATE

National Association for the Education of Young Children

2014 - 2016

- Conducted qualitative research on early childhood education practices.
- Supported data collection and analysis for various projects.
- Assisted in developing policy briefs based on research findings.
- Engaged with educators to promote best practices in early education.
- Presented findings at national conferences and workshops.
- Collaborated with stakeholders to enhance program visibility.
