EDUCATION

BACHELOR OF SCIENCE IN SPECIAL EDUCATION, FLORIDA STATE UNIVERSITY, 2016

ACHIEVEMENTS

- Increased parent satisfaction ratings by 25% through improved communication strategies.
- Developed a peer mentorship program that enhanced social skills among students.
- Recognized by the school board for outstanding contributions to inclusive education.

PROFILE

With over 5 years of experience as an Early Childhood Inclusive Educator, I specialize in creating inclusive learning environments that embrace diversity and promote equal opportunities for all children. My educational philosophy emphasizes play-based learning and social-emotional development, which are crucial for fostering resilience and empathy among young learners.

EXPERIENCE

INCLUSIVE CLASSROOM TEACHER

Little Stars Academy

2016 - Present

- Designed and executed engaging lesson plans that catered to children's varying abilities.
- Worked closely with therapists to adapt learning materials for children with special needs.
- Facilitated group activities that encouraged teamwork and cooperation among peers.
- Conducted regular assessments to measure student progress and inform instruction.
- Organized family engagement events to build community and support for inclusive education.
- Trained new staff on inclusive teaching practices and classroom management techniques.

EARLY CHILDHOOD ASSISTANT

Rainbow Childcare Center

2014 - 2016

- Assisted in the daily operation of the classroom, focusing on inclusive practices.
- Supported children with special needs in participating in all classroom activities.
- Maintained accurate records of student progress and behavior.
- Collaborated with parents to develop strategies for supporting learning at home.
- Participated in training sessions on child development and inclusion strategies.
- Created a welcoming environment that celebrated diversity and inclusion.
