Michael Anderson

EARLY CHILDHOOD LEARNING COACH

I am a dedicated Early Childhood Learning Coach with over 11 years of experience specializing in early childhood education. My career began as a preschool teacher, where I developed a strong foundation in child development theories and practices. Over the years, I transitioned into coaching, driven by my passion for empowering educators to create enriching learning environments.

EXPERIENCE

EARLY CHILDHOOD LEARNING COACH

Future Leaders Academy

2016 - Present

- Developed and implemented STEM-focused professional development workshops for educators.
- Coached teachers to enhance their instructional practices, resulting in a 30% increase in student engagement.
- Created a framework for assessing student learning outcomes effectively.
- Collaborated with families to support children's learning at home and in school.
- Organized community events to promote early childhood education initiatives.
- Facilitated peer observation sessions, leading to improved teaching strategies among educators.

PRESCHOOL TEACHER

Little Stars Preschool

2014 - 2016

- Designed engaging lesson plans that integrated arts and sciences, enhancing student creativity.
- Utilized ongoing assessments to tailor instructional strategies to meet individual needs.
- Created a nurturing environment that supported social-emotional development.
- Engaged parents through regular newsletters and workshops on child development.
- Participated in school-wide initiatives to promote early literacy and numeracy skills.
- Mentored new educators, providing support in classroom management techniques.
