- Recognized for excellence in service delivery by the State Education Board in 2019.
- Implemented a peer mentoring program that improved social skills among students.

### PROFILE

Resourceful Early Childhood Learning Coordinator with a strong background in special education and inclusive practices. Experienced in working with children with diverse needs and abilities, ensuring each child's educational journey is personalized and impactful. Skilled at developing tailored learning plans and collaborating with therapists, educators, and families to foster a supportive learning environment.

### EXPERIENCE

#### SPECIAL EDUCATION TEACHER

##### Inclusive Learning Center

*2016 - Present*

- Created individualized education plans (IEPs) for children with special needs, ensuring tailored support.
- Collaborated with a multidisciplinary team to assess and monitor students' progress.
- Engaged families in the educational process through workshops and one-on-one consultations.
- Implemented adaptive learning tools to meet diverse learning styles.
- Trained staff on inclusive teaching practices and behavioral management techniques.
- Coordinated community outreach programs to raise awareness about inclusive education.

#### EARLY INTERVENTION SPECIALIST

##### Child Development Services

*2014 - 2016*

- Provided early intervention services to children at risk of developmental delays.
- Conducted assessments to identify children's needs and recommend appropriate interventions.
- Collaborated with families to develop strategies that support learning at home.
- Developed and facilitated training for parents and caregivers on developmental milestones.
- Utilized play-based approaches to enhance learning and social skills.
- Monitored and documented children's progress, adjusting interventions as needed.
