EDUCATION

BACHELOR OF SCIENCE IN CHILD DEVELOPMENT, MONTESSORI INSTITUTE, 2015

ACHIEVEMENTS

- Led a professional development workshop on Montessori education, attended by over 50 educators.
- Improved student retention rates by 30% through enhanced family engagement initiatives.
- Recognized for outstanding contributions to curriculum development in 2019.

PROFILE

Results-driven Early Childhood Learning Practitioner with 8 years of experience specializing in Montessori methods. I have a strong background in creating child-centered learning environments that encourage exploration and independence. My approach integrates hands-on activities that align with children's interests and developmental stages, fostering a holistic educational experience. I have successfully trained and mentored new educators in Montessori principles, enhancing their teaching practices and classroom dynamics.

EXPERIENCE

MONTESSORI LEAD EDUCATOR

Harmony Montessori School

2016 - Present

- Developed and implemented individualized learning plans based on Montessori principles.
- Facilitated hands-on learning experiences that enhanced problem-solving skills in a mixed-age classroom.
- Trained new teachers on Montessori methods, improving classroom engagement by 25%.
- Conducted regular assessments to track student progress and adapt learning activities.
- Coordinated field trips that complemented the curriculum and encouraged real-world learning.
- Created a welcoming environment for parents to engage with classroom activities.

ASSISTANT MONTESSORI TEACHER

Little Hands Montessori

2014 - 2016

- Assisted in the preparation of Montessori materials and classroom setup.
- Supported children in self-directed learning activities to foster independence.
- Facilitated group activities that promoted social skills and teamwork.
- Documented children's progress and collaborated with lead teachers on strategies for improvement.
- Engaged in regular communication with parents regarding their child's development.
- Participated in professional development workshops to enhance teaching techniques.
