MICHAEL ANDERSON

TECHNOLOGY INTEGRATION SPECIALIST

Passionate Early Childhood Learning Practitioner with 3 years of experience focused on integrating technology into early education. I have a strong belief in the power of digital tools to enhance learning experiences for young children. By incorporating interactive applications and educational games, I have successfully engaged children in foundational literacy and numeracy skills.

PROFESSIONAL EXPERIENCE

Innovative Kids Academy

Mar 2018 - Present

Technology Integration Specialist

- Developed and implemented a curriculum that integrates technology into daily learning activities.
- Conducted training sessions for teachers on the effective use of educational apps in the classroom.
- Evaluated children's progress in digital literacy through interactive assessments.
- Organized family workshops to promote technology use at home for educational purposes.
- Collaborated with educators to create engaging multimedia presentations for children.
- Maintained a resource library of digital tools for teacher and student use.

Little Techies Preschool

Dec 2015 - Jan 2018

Preschool Teacher

- Engaged children in learning through interactive storytelling using digital platforms.
- Implemented hands-on activities that complemented technology-based lessons.
- Monitored student progress and adapted lesson plans based on individual needs.
- Fostered a collaborative classroom environment that encouraged teamwork.
- Communicated with parents regularly about their child's engagement with technology.
- Participated in professional development focused on early childhood technology integration.

ACHIEVEMENTS

- Recognized for innovative teaching methods in technology integration in 2021.
- Increased student engagement in literacy activities by 35% through tech-driven approaches.
- Successfully launched a digital literacy program that reached over 100 families.
