### SUMMARY

As an Early Childhood Numeracy Educator, I have dedicated over a decade to fostering mathematical skills in young learners through engaging and innovative teaching methods. My passion lies in developing curricula that not only meet educational standards but also ignite a love for numbers in children. I have successfully implemented various teaching strategies, including hands-on activities, games, and technology integration, to enhance learning outcomes.

### WORK EXPERIENCE

#### Lead Numeracy Educator Sunny Days Preschool

Jan 2023 - Present

- Designed and implemented a numeracy curriculum tailored to the developmental needs of preschoolers.
- Utilized hands-on learning materials to enhance children's understanding of basic mathematical concepts.
- Conducted regular assessments to track student progress and adjust teaching methods accordingly.
- Collaborated with parents to provide resources and strategies for math support at home.
- Facilitated professional development sessions for fellow educators on effective numeracy instruction.
- Increased student numeracy scores by 30% over three years through targeted interventions.

#### Early Childhood Teacher Little Scholars Academy

Jan 2020 - Dec 2022

- Created interactive math stations that encouraged exploration and discovery of numbers.
  - Integrated technology into lessons using educational apps to reinforce numeracy skills.
  - Organized family math nights to promote community involvement in student learning.
  - Monitored classroom behavior and adapted lessons to maintain engagement and focus.
  - Worked closely with special education staff to support children with diverse learning needs.
  - Achieved a 25% increase in student engagement as measured by participation in numeracy activities.
- 

### EDUCATION

#### Bachelor of Arts in Early Childhood Education, University of Education

Sep 2019 - Oct 2020

---

### ADDITIONAL INFORMATION

- **Technical Skills:** Curriculum Development, Classroom Management, Data Analysis, Parent Engagement, Assessment Strategies, Technology Integration
- **Awards/Activities:** Recipient of the 'Innovative Educator Award' for developing a successful math intervention program.
- **Awards/Activities:** Presented at the National Early Childhood Conference on the importance of play in learning mathematics.
- **Awards/Activities:** Successfully led a team to redesign the school's early math curriculum, resulting in positive feedback from parents and staff.
- **Languages:** English, Spanish, French
