- Differentiated Instruction
- Family Engagement
- Classroom Management
- Assessment Techniques
- Interactive Learning

## EDUCATION

**BACHELOR OF SCIENCE IN EARLY CHILDHOOD EDUCATION, LEARNING UNIVERSITY**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Recognized for outstanding contributions to early childhood education in the community.
- Led a workshop series for educators on innovative math teaching strategies.
- Received a grant for developing a math resource center for young learners.

# Michael Anderson

## LEAD NUMERACY TEACHER

I am a dedicated Early Childhood Numeracy Educator with over 9 years of experience in promoting mathematical understanding in young learners. My teaching philosophy emphasizes the importance of creating a warm and inviting classroom atmosphere where children feel comfortable exploring mathematical concepts. I have successfully designed and implemented a variety of teaching strategies that incorporate games, storytelling, and hands-on activities to make learning fun and engaging.

## EXPERIENCE

### LEAD NUMERACY TEACHER

Rainbow Learning Center

2016 - Present

- Developed a comprehensive numeracy curriculum that caters to diverse learning styles.
- Implemented hands-on activities that promote exploration and critical thinking in math.
- Engaged with families to provide resources for math support at home.
- Utilized ongoing assessments to inform instruction and track student progress.
- Collaborated with colleagues to enhance cross-curricular learning opportunities.
- Achieved a 35% increase in student numeracy skills as measured by assessments.

### KINDERGARTEN EDUCATOR

Bright Horizons Academy

2014 - 2016

- Designed engaging math lessons that incorporate storytelling and play.
- Fostered a positive classroom environment that encourages mathematical exploration.
- Developed individualized learning plans for students with unique needs.
- Introduced assessment methods that support ongoing feedback and growth.
- Communicated effectively with families about student progress and resources.
- Increased student engagement in math activities by 30% through innovative teaching methods.
