

MICHAEL ANDERSON

Math Instructional Coach

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

I am an enthusiastic Early Childhood Numeracy Educator with over 10 years of experience, specializing in creating engaging learning experiences that make math accessible and enjoyable for young children. My teaching philosophy emphasizes the importance of play-based learning and real-life applications of math concepts. I have developed a variety of hands-on activities and interactive lessons that cater to different learning styles and abilities.

WORK EXPERIENCE

Math Instructional Coach | Inspire Learning Academy

Jan 2022 – Present

- Provided coaching and support to educators on effective math instruction for early learners.
- Designed and implemented professional development workshops focused on hands-on math activities.
- Collaborated with teachers to develop curriculum that integrates math across subject areas.
- Conducted classroom observations to provide feedback and enhance teaching practices.
- Utilized assessment data to inform instructional strategies and improve student outcomes.
- Achieved a significant increase in teacher confidence in delivering math instruction.

Kindergarten Teacher | Creative Minds Academy

Jul 2019 – Dec 2021

- Implemented a play-based curriculum that emphasizes exploration and discovery in math.
- Utilized manipulatives and visual aids to support student understanding of mathematical concepts.
- Developed engaging lesson plans that promoted critical thinking and problem-solving skills.
- Maintained ongoing communication with families regarding student progress and resources.
- Assessed student learning and adjusted instruction based on individual needs.
- Increased student achievement in math by 30% through personalized learning approaches.
