# MICHAEL ANDERSON

## STEM PROGRAM COORDINATOR

Enthusiastic Early Childhood Program Coordinator with a focus on STEM education and over 6 years of experience in early childhood settings. I am dedicated to integrating innovative teaching methods that encourage curiosity and exploration in young learners. My background in educational technology allows me to leverage digital tools to enhance program delivery and engagement.

## **PROFESSIONAL EXPERIENCE**

### **Innovative Kids Academy**

*Mar 2018 - Present*

STEM Program Coordinator

- Designed and implemented a STEM curriculum that increased student engagement by 50%.
- Trained educators on integrating technology into daily lesson plans.
- Developed partnerships with local tech companies for resource sharing and workshops.
- Organized family STEM nights to promote learning at home.
- Monitored student progress through assessments and adjusted programs as needed.
- Facilitated workshops for educators on fostering creativity in early childhood education.

### **Creative Minds Preschool**

*Dec 2015 - Jan 2018*

Early Childhood Educator

- Implemented hands-on learning experiences that promoted inquiry-based learning.
- Collaborated with families to create personalized learning goals for children.
- Utilized assessment tools to track developmental milestones and learning outcomes.
- Organized field trips to local science centers to enhance learning experiences.
- Participated in professional development to stay current with educational trends.
- Created a resource library for parents to support at-home learning.

## **ACHIEVEMENTS**

- Received 'Excellence in Education' award for outstanding contributions to early childhood programming.
- Increased student interest in STEM subjects by 70% through innovative programming.
- Secured funding for new educational technology resources for the classroom.
