EDUCATION

BACHELOR OF SCIENCE IN EARLY CHILDHOOD EDUCATION, TECH UNIVERSITY, 2012

ACHIEVEMENTS

- Recognized for excellence in technology integration in education by the National Association for the Education of Young Children in 2019.
- Increased student participation in technology-based activities by 50% through innovative teaching practices.
- Successfully led a community outreach program that educated parents on early childhood development.

PROFILE

Enthusiastic Early Childhood Educator with a strong background in integrating technology into early learning environments. With over 8 years of experience, I have developed a passion for using digital tools to enhance traditional teaching methods. My approach focuses on creating a dynamic classroom that embraces both hands-on activities and technology-based learning.

EXPERIENCE

TECHNOLOGY INTEGRATION SPECIALIST

Smart Start Academy

2016 - Present

- Developed and implemented a digital literacy curriculum for preschoolers that increased technology engagement by 40%.
- Trained teachers on integrating educational technology into their lesson plans.
- Conducted workshops for parents on the benefits of technology in early childhood education.
- Created interactive multimedia presentations to enhance learning experiences.
- Assisted in selecting age-appropriate educational software and tools for classroom use.
- Monitored and evaluated the effectiveness of technology use in the classroom.

PRESCHOOL TEACHER

Creative Minds Learning Center

2014 - 2016

- Designed and executed lesson plans that incorporated technology and hands-on activities.
- Facilitated group projects that encouraged teamwork and collaboration among students.
- Assessed student progress and communicated findings to parents effectively.
- Organized field trips that connected classroom learning to real-world experiences.
- Developed a classroom blog to share student achievements and activities with families.
- Promoted a positive learning environment by fostering student creativity and curiosity.
