# Michael Anderson

## EARLY INTERVENTION SPECIALIST

Results-driven Early Childhood Special Needs Educator with 12 years of experience in early intervention programs. I specialize in identifying and addressing developmental delays in young children, with a focus on speech and language development. My educational philosophy centers around the belief that every child deserves access to quality education and support tailored to their unique needs.

## EXPERIENCE

### EARLY INTERVENTION SPECIALIST

Pathways to Success

2016 - Present

- Conducted developmental screenings and assessments to identify areas of need.
- Developed individualized treatment plans focusing on speech and language skills.
- Collaborated with parents to implement strategies for home support.
- Facilitated group sessions to enhance social skills and peer interactions.
- Utilized multimedia resources to engage children during learning activities.
- Documented progress and adjusted plans based on ongoing assessments.

### PRESCHOOL TEACHER

Little Learners Academy

2014 - 2016

- Designed a curriculum that integrated speech therapy techniques into daily lessons.
- Provided one-on-one support for children with speech delays during activities.
- Monitored student progress and communicated findings to families.
- Organized workshops to educate parents about speech development strategies.
- Engaged children in storytelling and phonics games to enhance language skills.
- Collaborated with speech therapists to align educational goals with therapy sessions.
