Michael Anderson

SENIOR EARLY YEARS TEACHER

Dynamic and results-driven Early Years Teacher with 8 years of experience in early childhood education. I specialize in creating impactful learning experiences that foster critical thinking and problem-solving skills among young learners. My teaching philosophy is grounded in the belief that children learn best through exploration and active participation. I have a proven track record of implementing innovative teaching strategies that have led to significant improvements in student outcomes.

EXPERIENCE

SENIOR EARLY YEARS TEACHER

Future Leaders School

2016 - Present

- Designed and executed a dynamic curriculum that emphasized critical thinking and creativity.
- Mentored junior teachers, providing guidance on best practices and classroom management.
- Utilized data-driven assessments to enhance student learning outcomes.
- Engaged families in their child's education through regular communication and events.
- Implemented technology-based learning tools to enrich the curriculum.
- Facilitated professional development workshops for staff on innovative teaching strategies.

EARLY YEARS TEACHER

Learning Tree Academy

2014 - 2016

- Developed lesson plans that incorporated hands-on learning experiences.
- Created an interactive classroom environment that encouraged exploration and inquiry.
- Monitored and assessed student progress to inform instructional practices.
- Collaborated with specialists to support children with diverse learning needs.
- Organized field trips that enhanced real-world learning experiences.
- Utilized storytelling and role-play to promote language development.
