### SKILLS

- Gender Analysis
- Economic Development
- Qualitative Research
- Community Engagement
- Policy Advocacy
- Data Analysis

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

#### MASTER'S IN GENDER STUDIES, UNIVERSITY OF SUSSEX

### ACHIEVEMENTS

- Authored a report that influenced local government policies on gender and economic development.
- Secured funding for a gender-focused economic empowerment program, totaling \$300,000.
- Presented findings at international conferences, raising awareness around gender issues in economics.

Dedicated Economic Anthropologist with a focus on gender and economic development, I have spent the last 9 years investigating how gender dynamics influence economic opportunities and practices. My work is rooted in a commitment to social justice and equity, particularly in underrepresented communities. I have conducted field research in various cultural contexts, examining how women's roles in local economies can be strengthened through targeted interventions.

### WORK EXPERIENCE

#### GENDER ECONOMIC DEVELOPMENT SPECIALIST

Women for Economic Equity

2020 - 2025

- Led initiatives aimed at empowering women in local economies through targeted economic programs.
- Conducted research on gender dynamics in economic decision-making within communities.
- Worked with local organizations to implement training sessions for women entrepreneurs.
- Analyzed the impact of gender-focused policies on community economic growth.
- Facilitated workshops to raise awareness about gender equity in economic practices.
- Collaborated with stakeholders to develop reports that advocate for women's economic rights.

#### RESEARCH ASSOCIATE

Institute for Gender Studies

2015 - 2020

- Assisted in field research examining the economic roles of women in various cultural contexts.
- Collaborated with a team to analyze data on gender and economic opportunities.
- Contributed to publications that highlight the importance of women's participation in economic development.
- Supported community outreach efforts to promote gender equity initiatives.
- Participated in conferences to share research findings and network with other professionals.
- Developed educational resources for organizations working towards gender equality.
