EDUCATION

MASTER OF ARTS IN SUSTAINABLE
TOURISM, GREEN UNIVERSITY, 2015

ACHIEVEMENTS

- Developed award-winning ecotourism curriculum adopted by multiple educational institutions.
- Increased student enrollment in ecotourism courses by 50% through innovative marketing strategies.
- Recognized as Instructor of the Year for exceptional teaching and mentorship.

PROFILE

Accomplished Ecotourism Guide with extensive experience in providing transformative travel experiences that emphasize ecological stewardship and cultural respect. Expertise in navigating diverse terrains and ecosystems, ensuring safety and enjoyment for all participants. Adept at fostering meaningful connections between travelers and nature, promoting an understanding of the vital role of conservation. Proven track record in developing innovative tour packages that attract eco-conscious travelers while supporting local economies.

EXPERIENCE

LEAD NATURALIST GUIDE

EcoExplorers

2016 - Present

- Conducted nature walks and educational sessions, enhancing guest understanding of local flora and fauna.
- Implemented interactive activities that promoted environmental awareness among participants.
- Maintained equipment and vehicles to ensure safety and reliability during tours.
- Collaborated with conservationists to integrate ecological principles into tour narratives.
- Managed group dynamics to ensure a positive experience for all participants.
- Provided post-tour evaluations that informed future program improvements.

ECOTOURISM INSTRUCTOR

Nature's Path Academy

2014 - 2016

- Developed curriculum focused on sustainable tourism practices and environmental ethics.
- Trained aspiring ecotour guides in field techniques and customer engagement strategies.
- Facilitated workshops for local businesses on integrating sustainability into tourism operations.
- Collaborated with academic institutions to enhance educational outreach programs.
- Organized field trips that provided hands-on learning experiences for students.
- Conducted research on ecotourism trends to inform program development.
