SUMMARY

As an Education Access Researcher with over 5 years of experience in educational equity initiatives, I have dedicated my career to understanding barriers to education and developing actionable strategies to improve access for underserved communities. My work has involved collaborating with educational institutions, government agencies, and non-profit organizations to gather data, analyze trends, and propose evidence-based solutions.

WORK EXPERIENCE

Research Analyst National Education Association

Jan 2023 - Present

- Conducted comprehensive research on educational disparities affecting low-income students.
- Designed and administered surveys to gather data from over 1,000 participants.
- Analyzed qualitative and quantitative data using SPSS and Excel to identify key trends.
- Collaborated with policy-makers to develop recommendations based on research findings.
- Presented findings at national conferences, enhancing visibility of educational equity issues.
- Managed project timelines and deliverables, ensuring completion within budget constraints.

Program Coordinator Local Education Foundation

Jan 2020 - Dec 2022

- Oversaw the implementation of educational programs targeting at-risk youth.
 - Facilitated workshops and training sessions for educators on inclusive practices.
 - Evaluated program outcomes using mixed-method approaches to measure impact.
 - Secured funding through grant writing, resulting in a 30% increase in program resources.
 - Engaged community stakeholders to foster partnerships and enhance program reach.
 - Developed marketing materials and reports to communicate program success stories.
-

EDUCATION

Master of Education in Educational Research, University of California, Los Angeles

Sep 2019 - Oct 2020
