SKILLS

- Educational Technology
- Data Analysis
- User Experience Research
- Accessibility
- Project Management
- Collaborative Problem Solving

EDUCATION

MASTER OF SCIENCE IN EDUCATIONAL TECHNOLOGY, STANFORD UNIVERSITY

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Improved accessibility of online learning platforms, increasing user satisfaction by 40%.
- Contributed to the development of a widely adopted educational app for diverse learners.
- Recognized for innovative research with the EdTech Research Award in 2022.

Michael Anderson

RESEARCH ASSOCIATE

I am a passionate Education Access Researcher with a strong focus on the intersection of technology and education. With 4 years of experience in research and a background in educational technology, I have explored how digital tools can enhance access to quality education for diverse learners. My research has analyzed the effectiveness of online learning platforms, digital resources, and their implications for educational equity.

EXPERIENCE

RESEARCH ASSOCIATE

EdTech Innovations

2016 - Present

- Conducted research on the impact of digital tools on student learning outcomes.
- Analyzed user data to identify accessibility barriers in online education platforms.
- Collaborated with educators to design user-friendly educational technology solutions.
- Presented findings to stakeholders to advocate for inclusive design practices.
- Developed case studies highlighting successful implementation of technology in classrooms.
- Managed project timelines and deliverables to ensure timely completion of research projects.

DATA ANALYST

Educational Access Initiative

2014 - 2016

- Analyzed data sets to assess the effectiveness of digital learning programs.
- Collaborated with researchers to develop survey instruments for user feedback.
- Facilitated focus groups with students to gather insights on technology usage.
- Created reports detailing findings and recommendations for improvement.
- Managed data collection processes, ensuring accuracy and reliability.
- Worked closely with tech partners to ensure alignment with educational goals.
