

MICHAEL ANDERSON

Director of Research

As an Education Access Researcher with over 10 years of experience in K-12 education, I have focused on improving access to quality education for students in underfunded districts. My extensive background in educational policy and program development has equipped me with the skills to analyze systemic barriers and propose effective solutions.

WORK EXPERIENCE

Director of Research 2020-2023

Equity in Education Initiative

- Oversaw research projects aimed at identifying barriers to education in low-income districts.
- Developed comprehensive reports that informed state education policies.
- Collaborated with school leaders to implement effective intervention strategies.
- Facilitated training sessions for educators on data-driven practices.
- Engaged with community stakeholders to advocate for resource allocation.
- Managed multi-year research grants, ensuring compliance and reporting accuracy.

Senior Policy Analyst 2019-2020

State Department of Education

- Analyzed educational data to evaluate program effectiveness in K-12 settings.
- Collaborated with policy-makers to develop strategies for improving educational access.
- Conducted site visits to assess program implementation and impact.
- Authored policy briefs that guided funding decisions for underfunded schools.
- Facilitated stakeholder meetings to gather input on proposed policy changes.
- Provided mentorship to junior analysts on research methodologies.

ACHIEVEMENTS

- Secured over \$1 million in grants to support educational equity initiatives.
- Published research in top-tier education journals, influencing policy discussions.
- Recognized for outstanding contributions to educational equity by national organizations.
