EDUCATION

MASTER OF ARTS IN EDUCATIONAL MEASUREMENT, STANFORD UNIVERSITY, 2014

ACHIEVEMENTS

- Recognized for excellence in program evaluation with a state-level award.
- Increased assessment usage by 30% among teachers through targeted professional development.
- Authored a comprehensive guide on data-driven decision-making for educators.

PROFILE

Results-oriented Education Assessment Analyst with a strong background in data analytics and educational program evaluation. With over 7 years of experience in both K-12 and higher education settings, I specialize in interpreting data to inform policy and practice. My analytical skills are complemented by a passion for educational equity, driving me to focus on assessments that cater to diverse learning needs.

EXPERIENCE

SENIOR DATA ANALYST

Education Insights Group

2016 - Present

- Led data analysis initiatives that improved curriculum alignment and increased student test scores by 25%.
- Designed and implemented comprehensive assessment strategies that addressed diverse student populations.
- Developed training materials for teachers on the effective use of assessment data.
- Collaborated with school leaders to develop actionable plans based on assessment findings.
- Utilized advanced statistical techniques to analyze educational data, providing insights for program improvement.
- Presented data-driven recommendations to educational stakeholders at regional conferences.

PROGRAM EVALUATOR

State Department of Education

2014 - 2016

- Conducted evaluations of educational programs to measure effectiveness, resulting in improved funding strategies.
- Analyzed assessment data to identify trends and areas for program enhancement.
- Collaborated with cross-functional teams to develop assessment tools aligned with state standards.
- Facilitated workshops for educators on best practices for assessment and evaluation.
- Created comprehensive reports detailing program outcomes and recommendations for improvement.
- Worked with policymakers to translate data findings into actionable educational reforms.
