MICHAEL ANDERSON

EDUCATION DATA ANALYST

Dynamic Education Data Analyst with 4 years of experience in K-12 education, focusing on data integration and analysis to support instructional improvement. Skilled in collecting and analyzing student performance data to identify areas for enhancement and inform educational strategies. Proven ability to work closely with teachers and administrators to create data-driven action plans that lead to improved student outcomes.

PROFESSIONAL EXPERIENCE

Sunnyvale School District

Mar 2018 - Present

Education Data Analyst

- Analyzed student assessment data to identify performance gaps and inform curriculum adjustments.
- Developed data reports to track student progress and presented findings to school leadership.
- Collaborated with teachers to create targeted interventions based on data insights.
- Utilized Excel and Google Analytics for data management and reporting.
- Conducted workshops for staff on data interpretation and usage.
- Implemented a new data collection system that improved accuracy by 30%.

Riverside Middle School

Dec 2015 - Jan 2018

Data Coordinator

- Supported the analysis of student data to improve educational programs and services.
- Created visualizations in Tableau to communicate data trends effectively.
- Maintained databases and ensured data integrity for reporting purposes.
- Assisted in the collection and analysis of survey data to guide school initiatives.
- Worked with IT to enhance data collection processes and tools.
- Documented data analysis procedures to streamline future projects.

ACHIEVEMENTS

- Contributed to a 25% increase in student performance through targeted data initiatives.
- Recognized for excellence in data reporting and analysis by the district.
- Successfully implemented a data-driven program that improved student engagement by 15%.
