# MICHAEL ANDERSON

## DIRECTOR OF RESEARCH

As a dedicated Education Effectiveness Researcher with 15 years of experience in public education reform, I have a proven track record of conducting impactful research that informs policy and practice. My work focuses on assessing the effectiveness of educational interventions and their implications for systemic improvement. I have collaborated with various stakeholders, including government agencies and non-profit organizations, to design studies that address critical educational challenges.

## PROFESSIONAL EXPERIENCE

### **National Education Reform Coalition**

*Mar 2018 - Present*

Director of Research

- Oversaw a portfolio of research projects that evaluated educational reforms across multiple states.
- Led a team of researchers in analyzing qualitative and quantitative data to inform policy recommendations.
- Developed partnerships with educational institutions to promote research-based practices.
- Presented findings to legislators, influencing funding decisions for educational initiatives.
- Conducted training for educators on using research to improve classroom practices.
- Published reports that highlighted best practices in educational reform, impacting over 500 schools.

### **Department of Education**

*Dec 2015 - Jan 2018*

Senior Evaluation Specialist

- Conducted evaluations of federally funded education programs, ensuring compliance with regulations.
- Developed evaluation frameworks that guided data collection and analysis processes.
- Collaborated with various departments to align research efforts with strategic educational goals.
- Authored evaluation reports that were used to secure continued funding for educational projects.
- Facilitated workshops for program directors on effective evaluation practices.
- Utilized advanced statistical software to analyze program impact, resulting in improved outcomes.

## ACHIEVEMENTS

- Awarded the Excellence in Research Award for outstanding contributions to education reform.
- Increased research funding by 50% through successful grant applications and partnerships.
- Led a statewide initiative that improved educational outcomes for underserved populations by 20%.
