# Michael Anderson

## PROGRAM EVALUATION MANAGER

I am a results-oriented Education Effectiveness Researcher with 12 years of experience in higher education evaluation and improvement. My career has been dedicated to assessing institutional effectiveness and enhancing student outcomes through research-driven initiatives. I possess extensive experience in conducting program evaluations, analyzing institutional data, and developing strategic recommendations for educational improvement.

## EXPERIENCE

### PROGRAM EVALUATION MANAGER

State University Office of Institutional Research

2016 - Present

- Managed program evaluation projects that enhanced student retention rates by 20%.
- Developed evaluation frameworks to assess program effectiveness across various departments.
- Collaborated with faculty to implement research findings into curriculum development.
- Presented evaluation results to university leadership, influencing strategic planning efforts.
- Facilitated workshops for faculty on assessment methodologies and data utilization.
- Utilized advanced data analysis software to track and report on student outcomes.

### RESEARCH ANALYST

Community College Research Center

2014 - 2016

- Conducted comprehensive research studies on community college effectiveness, informing policy changes.
- Analyzed enrollment data to identify trends impacting student success.
- Collaborated with external stakeholders to address community educational needs.
- Authored research reports that shaped local educational policies.
- Led focus groups with students to gather qualitative insights for program enhancement.
- Presented findings at national conferences, contributing to discussions on higher education reform.
